

UR SSP Meeting 12th May, 2010 Summary

- Steve Eccles from HBC's Transport Policy team gave a presentation on LTP3;
- Mick Noone gave a Q4 progress report on the Urban Renewal National Indicators;
- Pat Audoire gave a Q4 funding outturn position statement and progress report against Urban Renewal projects receiving Working Neighbourhoods Funding support. Across all projects, there was a £694 overspend.
- The Castlefields regeneration team gave an update on progress so far with regard to the Castlefields regeneration programme, together with a review of the Village Square renewal.
- Dick Tregoe highlighted three main issues in his verbal report on happenings in the borough since the last meeting. These included the opening of the Widnes Retail Park; the launch of the Tesco development at 3MG and developments at Daresbury.
- The Widnes Waterfront Programme Manager presented the NWDA Performance Plan 2010/11, seeking recommendation from the UR SSP (as WW Management Board) that this be forwarded to the NWDA for approval. The UR SSP gave that recommendation.
- There was a short discussion around Membership of the UR SSP, but this was essentially deferred until such time as the borough's priorities were determined in the forthcoming Community Strategy renewal process.
- The next meeting will take place at 3.00 pm, Tuesday, 7th September, 2010.

The meeting finished at 17.05.
